SERVING YOU A BRAND NEW CONCEPT FROM NAFFCO MODULAR

Smart home cinema in prefabricated serviceable modules with bespoke interiors and top-notch acoustics. All the elements of cinema prefabricated into modules with final finishes, MEP services, and A/V integration. Naffco Modular Cinema makes for easy on-site installation. Accompanied by our specialized team capable of putting together a fully functional cinema in 24 hours, Naffco Modular delivers premium audio-visual solutions of quality within no time.

TAILORED TO MEET YOUR SPACE CATERED TO MEET YOUR REQUIREMENTS

RESIDENTIAL - Enhance the quality of your life by adding Naffco Modular Cinema either to your rooftop or backyard. Constructed at our state-of-the-art factory by our highly skilled team.

COMMERCIAL - We bring our expertise to offer quality commercial cinema experience in modularity. An attractive solution for movie operators and multiplexes, our cinema modules are pre-fabricated to precision in the factory. Our team of architects and engineers pay close attention to every detail in the module production optimizing for your space. We deliver within a short time frame.
